1. POLICY FORMS AND DWELLING / PROPERTY LIMITS

A. Homeowners:	Form 3
<i>Dwelling Limits:</i>	<i>Minimum: \$70,000</i> <i>Maximum: \$1,000,000 (\$1,100,000 Renewal)</i>

2. ELIGIBILITY

These Eligibility Guidelines are subject to the SUBMIT FOR APPROVAL and UNACCEPTABLE RISKS sections contained herein.

A. Homeowners Policy

A single-family dwelling occupied by the titled owner and used principally for private residential purposes. The dwelling must have only one family, cannot have more than two roomers or boarders, and may not have any space rented to others for any purpose.

NOTE: *The term "owner" includes persons purchasing a dwelling, such as under a mortgage agreement or contract of sale.*

3. POLICY TERM

Policies will be written for a maximum 12-month term only. An initial term less than 12-months can only be written to ensure that the policy expiration date coincides with the expiration date of another insurance policy held by the named insured. If the initial term is less than 12-months, the premium (not the fees) will be prorated. Any minimum premium applicable to this program still applies.

Direct bill premium invoicing is available, unless the initial term is less than 6-months. A premium invoice will be mailed directly to the insured 30-40 days prior to the installment due date. A \$10 service fee is added to all installments, but not the initial down payment.

Current payment options include 3-Pay and 5-Pay direct bill options:

- The **3-Pay** plan requires 1/3 of the premium, plus policy and inspection fees, as the down payment. The two remaining installments are billed by the company in 60 and 120 days. If the down payment is by check, the installments are billed. If the down payment is by credit card, the installments are automatically billed to the same credit card.
- The **5-Pay** plan requires 20% of the premium, plus policy and inspection fees, as the down payment. The four remaining installments are billed by the company in 30, 60, 90 and 120 days. If the down payment is by check, the installments are billed. If the down payment is by credit card, the installments are automatically billed to the same credit card.

4. OTHER INSURANCE

Other insurance covering the same property is permitted only when the other insurance is for perils not covered by the policy. (For example, flood insurance.)

5. RESTRICTION OF COVERAGE

The named insured can request a restriction on an individual policy. The circumstances or exposure must be so unusual that without the restriction the policy would not be issued. No reduction from the prescribed rate and minimum premium is allowed. Refer each request to PSIC (or its representative).

6. APPLICATION AND BINDING PROCEDURES

A Pacific Specialty Insurance Company ("PSIC") homeowners application must be fully completed and mailed to PSIC (or its representative). Binding is subject to acceptance of the risk by PSIC. The following provisions must be satisfied when the application is submitted:

- All underwriting rules are followed; and*
- A PSIC application (including any/all necessary disclosures) is fully completed and signed by both the applicant and producer; and*
- Required premium (or minimum required down payment) accompanies application; and*

Pacific Specialty Insurance Company

D. All of the above referenced items are mailed to PSIC (or its representative) within the following number of days from the requested effective date:

- If premium paid in full, 15 days
- If direct bill payment option is requested, 5 days

An automatically populated application can be printed to sign and submit for policies that are quoted and bound online through our website facility at www.psic-onespot.com.

If the dwelling has a woodstove, submit the application with a completed woodstove questionnaire and one photograph. Submit basis only – no binding (see Section 12. Submit for Approval, in this manual for details).

7. CATASTROPHE MANAGEMENT

A. Suspension of Binding Authority

All binding authority is automatically suspended whenever the following conditions exist in a given area:

- Impending severe local weather conditions or bulletin(s);
- When any designated* hurricane or tropical storm is forecast to affect any portion of the state within 5 days; or
- Civil unrest.

No applications for new coverage will be accepted. No endorsements of existing policies will be accepted which will have the effect of increasing the company's exposure. Applications with an effective date/postmark combination, which would violate the prohibition(s) listed above, will be rejected and no coverage will exist. Renewals of the company's expiring policies will be issued provided there is no increase in coverage or exposure.

This temporary suspension of binding authority will remain in effect until these binding restrictions have been lifted by PSIC.

**NOTE: A "designated" tropical storm or hurricane is a weather disturbance identified as a tropical storm, depression or hurricane by the United States National Weather Service.*

B. General (Non-Earthquake Related) Emergency Restrictions

Pacific Specialty Insurance Company may also establish discretionary restrictions on binding authority during emergency periods of potential floods, mudslides, fires, or other natural or manmade disaster emergencies. Agents who are aware of such conditions SHOULD NOT BIND COVERAGE UNTIL THEY HAVE CALLED THE COMPANY TO VERIFY THAT NO BINDING RESTRICTIONS ARE IN EFFECT.

If enacted, these emergency restrictions will be identical to those detailed in the above "Suspension of Binding Authority" section.

This temporary suspension of binding authority will remain in effect until these binding restrictions have been lifted by PSIC.

C. Earthquake-Related Emergency Restrictions

When a major earthquake occurs, PSIC (or its representative) may impose binding authority restriction on all agents in the affected area:

1. Binding authority will be restricted when an earthquake reading 5.0 or greater on the Richter Scale occurs.
2. Binding authority will be restricted for the day of the earthquake and for the 30-day period following the earthquake.
3. An aftershock reading 5.0 or greater on the Richter Scale will be considered a new earthquake, and will result in a new period of suspended binding authority.
4. The restrictions will apply to all counties located within 150 miles of the earthquake's epicenter.
5. The same above restrictions apply to any requests to increase coverage limits.
6. Renewals are not affected by these restrictions.

Pacific Specialty Insurance Company

D. Miscellaneous Restrictions

Pacific Specialty Insurance Company, as part of its Catastrophe Management Program, may also establish (at its discretion) temporary and/or permanent restrictions on binding authority to properly control and maintain appropriate geographic concentration levels.

8. INSPECTION FEE, POLICY FEE AND MINIMUM PREMIUMS

An independent inspection firm will be hired to inspect each property on HO-3 new and renewal business. The inspection fee is \$40 per policy. The new and renewal policy fee is \$25 per policy. The inspection fee and policy fee are non-refundable (fully retained).

The annual minimum written premium (excluding fees) is:

- Homeowners: \$100
